### SPECIAL ROOM REQUESTS:

Silver	Yes
--------	-----

Gold	Yes – Special priority
------	------------------------

Members can make special room requests (e.g. high floor, low floor, morning or evening sun, specific room number etc.) This does not include change of category of room (e.g. if you have booked a garden view room, we cannot change it to sea view without extra charge).

All requested rooms will be allocated in strict order in which they are advised to the hotel. For this reason we ask all members to advise the hotel as soon as a definite booking has been made with a tour operator or travel agency and at **LEAST 30 DAYS** before arrival.

This service is not available for members who book special discount package holidays or “last minute” holidays.

We give top priority to Gold card holders’ special room requests and guarantee the requested room (or a similar one) in the booked category.

### ❖ LATE DEPARTURE ROOMS:

Silver	No
--------	----

Gold	Yes – Upon Availability
------	-------------------------

If Gold card holders would like to keep their room after 12.00 hrs on departure day (or another room if their room is needed), they should contact the Reception 24-HOURS before departure and they will advise you of availability.

At times when the hotel is full, late departure rooms may not be available as the hotel is legally obliged to prepare the rooms for arriving guests at 12:00 hrs. The hotel may charge cardholders for rooms kept after 18:30 hrs.
