

Grecotel adds impressive brand-new Olympia Aqua Park to its Riviera Olympia activity park at Kyllini

A 20,000-square-meter splash into fun for the family vacation of a lifetime!

The **N. Daskalantonakis-Grecotel Group** welcomes summer 2017 with an all-new exciting **Olympia Aqua Park** at its fairy-tale **Riviera Olympia Mega Resort** set on prime Kyllini beachfront in the northwestern Peloponnese.

This is the first-ever aqua park of its size on a Greek luxury resort for guests' enjoyment. Giant waterslides and the latest aqua games, all designed to the highest safety specifications, promise endless hours of aqua-fun for kids of all ages and all those still kids at heart.

High-speed daredevils will be thrilled by the **Looping Rocket**, a peak-adrenaline water slide found only on a handful of the world's biggest aqua parks. **Space Hole**, **Black Hole**, and **Rafting Slides** are some of the other water rides guaranteed to thrill. No need to choose: you can ride them all at the **Olympia Aqua Park** as well as popular favourites **Wave Slide**, **Flying Boats**, and **Multi-Surf**—all great fun for families or groups of friends.

Between rides catch your breath at the amazing refreshment deck where you sip a cool cocktail. For our youngest guests, there's a mini **Olympia Aqua Park** which is anything but small: 1,200 square meters of games and scaled-down versions of cascades, towers, waterslides, and a volcano that erupts water. It's the perfect storybook backdrop to unleash little imaginations and create their own adventures.

Hercules and **Olympia**, the aqua park mascots, are ready to welcome guests and guide them through the incredible games and rides at this exciting new theme park.

Olympia Aqua Park is just the latest addition to the Riviera Olympia activity park, one of the many incredible amenities of the **Riviera Olympia Resort** and its choice of four hotels: **Mandola Rosa Suites & Villas**, **Riviera Olympia Thalasso**, **Olympia Oasis**, and **Ilia Palms**. The luxury resort is the ideal destination for an unforgettable vacation tailored to your interests and needs, offering a range of accommodations, entertainment, relaxation, dining, and activities, including the breath-taking 4,500-sqm **Elixir Thalassotherapy Centre** to rejuvenate body and mind. Our hospitality lavishes special attention on families and children, including **Summer Camp** with **Arsenal Soccer**, **Be a Model**, dance classes, make-up tutorials, English language lessons, special kids' restaurant menus and all-day free kids' buffet—and, of course, our signature **Grecoland** for young children.
