

TUI 2020 awards

For another year Grecotel has won several awards at the TUI 2020 awards. The hotels are awarded after a survey taken by the clients of TUI Group, the world's largest tourism organization, and take note of offering excellent operation, entrepreneurial creativity and high safety standards.

Grecotel is constantly developing its quality services and the experience of people-centered holidays. It has been honored with thousands of awards by customers, tourism organizations, tour operators and international associations, for the quality of services, its great contribution to the high standards of tourism development in the country and its initiatives to preserve the environmental and cultural heritage of Greece.

Specifically, the TUI 2020 awarded Grecotel hotels are:
