

ELIXIR SPA

CASA MARRON

OUR PHILOSOPHY

The Elixir Spa of Greccotel Group, inspired by the Temple of Apollo and built in a privileged spot in the prefecture of Ilia, offers an excellent blend of relaxation and top service. Inspired by the methods of the ancient Greeks and harmonized with its environment, incorporating recent therapeutic techniques for the philosophy of longevity and personal exploration towards inner wellness.

We invite you to immerse yourself in an oasis of tranquility by combining the timeless Greek elements of earth, sun and water. This trinity was of profound importance to the ancient Greeks because it was not only vital to the practical aspects of life, but had a direct correlation with inner beauty, meaning that beautiful people were also morally good, while those considered “ugly” lacked character.
