

ELIXIR BEAUTY SPA

CORFU IMPERIAL

A RESORT TO LIVE®

OUR PHILOSOPHY

The Elixir Spa of the Greccotel group, built on the mythical island of Phaeacians, offers an exquisite blend of relaxation and top service. Drawing inspiration from the ancient Greeks, our methods incorporate the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

From the moment you enter the Elixir Spa, you are immersed in an oasis of tranquility and luxury that unites the timeless elements of earth, sun and water. This trinity had profound significance for the ancient Greeks: not only was it vital to the practical aspects of life, but it was deeply rooted in their spiritual beliefs.

Exquisitely curated menus and treatment protocols designed to offer unique pampering experiences are the result of three decades of empirical research and tangible exploration to achieve the ultimate balance of body and spirit.

Feel your senses come alive in Elixir Spa's state-of-the-art facilities and become a part of the ancient Greek myth!

SIGNATURE TREATMENTS

Inspired by the rituals of Ancient Greece and the land's mythical nature we are proud to present a series of bespoke treatments. Immerse yourself in the spirit of our setting using extracts and essential oils recovered by the lush flora and local ingredients.

THE LOCAL LIST

ANCIENT GREEK MASSAGE

A holistic treatment that combines practices from the Asclepius of Ancient Greece cultivated over millennia, reaching today's modern practices and reviving this kind of massage. It is based on the methods of Hippocrates, the father of medicine. It starts with movements, pressures, and oscillations on dry skin. Then with the use of powder, applied on the back area, with the help of a special horsehair brush, the blood circulation on the back and the muscular strengthening are enhanced. This is followed by deep-tissue massage with plastic suction cups with pure almond oil treated in the traditional way of cold crushing, combined with essential oils of herbs from the Greek land. A strong but not painful treatment taken from the distant past of ancient Greeks, tailored to the needs of today.

NYMPH OF CORFU FACE & BODY TREATMENT

The ultimate multivitamin treatment for your skin. Enriched with a powerful complex of antioxidants and vitamins, it offers your skin supreme nourishment. Feel your skin stronger & healthier. Iris blossoms and olive grains combine to create a refreshing exfoliation all over the body, while the unique antioxidant and vitamin complex contained in the nourishing mask strengthen the skin's structure, restoring its natural radiance and elasticity. The toning massage on the body with orange oil captures all the beneficial ingredients of the treatment, while giving the skin a smooth texture and a perfect glow.

Omorovicza,
BUDAPEST

OMOROVICZA BUDAPEST

From the earth, through the generations: Omorovicza is rooted in Budapest's unique geology. Following a tectonic collision, Budapest was formed in the same moment as the Himalayas. This formed a massive fissure, where waters plunge right down and are imbued with minerals, before being delivered to the surface and discovered by the various waves of humans to inhabit Budapest and benefit from its waters. Among those inspired by this geological marvel was the Omorovicza family, who created the Racz Fürd, or thermal bath, the first Omorovicza Institute.

While you are relaxing with the mask on, we will pamper you with an arm treatment for further relaxation. You will also experience a gentle lymphatic drainage massage, which reduces puffiness, eliminates excess fluids and toxins that accumulate in the tissue, followed by a relaxing massage by hands and the use of rose quartz.
