ELIXIR BEAUTY SPA

CRÉTA PALACE

GRECOLE LUXURY BEACH RESORT

OUR PHILOSOPHY

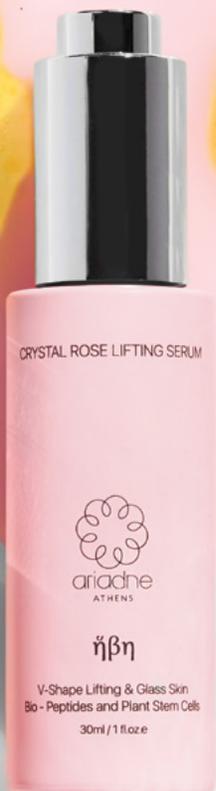

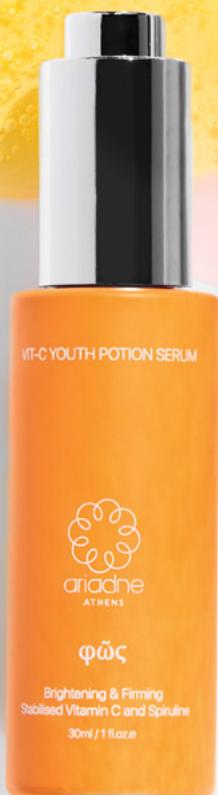

The Elixir Spa of the Grecotel Group, inspired by the Minoan civilization, the oldest in Europe, offers an exquisite blend of relaxation, class and top service. Drawing inspiration from the ancient Greek alchemists, our methods embody the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

Elixir Beauty Spa provides highly curated menus and treatment protocols designed to offer unique pampering experiences, the result of three decades of empirical research and tangible exploration to achieve the ultimate balance of body and spirit.

The local tradition and the natural richness of the land invite you to immerse yourself in an oasis of tranquility and luxury that unites the timeless elements of earth, sun and water.

This trinity had profound significance for the ancient Greeks: not only was it vital to the practical aspects of life, but it was deeply rooted in their spiritual beliefs.

“Our greatest journey we make it with our soul” N. Kazantzakis

BY ARIADNE ATHENS

Merging unique bio-actives with natural and rare, organic Greek & Mediterranean ingredients, award-winning Spa Brand Ariadne Athens.

SIGNATURE TREATMENTS

Inspired by the rituals of Ancient Greece and the land's mythical nature we are proud to present a series of bespoke treatments. Immerse yourself in the spirit of our setting using extracts and essential oils recovered by the lush flora and local ingredients.

ANCIENT GREEK MASSAGE

A holistic treatment that combines practices from the Asclepius of Ancient Greece cultivated over millennia, reaching today's modern practices and reviving this kind of massage. It is based on the methods of Hippocrates, the father of medicine. It starts with movements, pressures, and oscillations on dry skin. Then with the use of powder, applied on the back area, with the help of a special horsehair brush, the blood circulation on the back and the muscular strengthening is enhanced. This is followed by a deep-tissue massage with plastic suction cups with pure almond oil treated in the traditional way of cold crushing, combined with essential oils of herbs from the Greek land. Strong but not painful treatment taken from the distant past of ancient Greeks, tailored to the needs of today.

MINOAN PRINCESS

Let us make you feel like a real Prince or Princess. Indulge in the genuine earthy notes of Greece, luxuriate in the benefits of rare herbs, and relax in the velvet textures that cover your skin, as every step of this treatment imbues your senses in a world of opulence. The treatment includes an exfoliation with olive and roses, followed by the application of a rich body mask, containing a refreshing cocktail rich in organic honey, which contributes to the hydration, regeneration and tightening of the skin. The relaxing head-to-toe massage with warm pouches that complement the treatment with aromas of clary sage, honey and rosemary, literally endows an experience designed for royals.

MASSAGES

PALACE MASSAGE

Inspired by the grooming rituals of Classical beauties. This treatment consists of a full body massage, using techniques inspired by the calming influence of the sea's movement.

DEEP TISSUE MASSAGE

Relieves stress that causes muscle tension. This therapy rejuvenates the body by using deep pressure massage. Deep muscle group massage using fingers, fists, forearms & elbows. The result is complete rejuvenation, toning, and relaxation that also relieves pain, reduces stress and fights inflammation by improving posture and sleep quality.

SEA BREEZE AROMA MASSAGE

A lavish body massage using essential oils made from plant and herb extracts. The oils have either detoxifying, stimulating or relaxing properties chosen to suit individual needs. The aroma from the oils has a therapeutic effect, inducing a feeling of utter mind & body peace.

LYMPHATIC MASSAGE

A detoxifying treatment is performed specifically on the legs. It activates the circulation and the lymph glands flushing out excess liquids, making the muscle tissue firmer. Ideal for combatting cellulite and stimulating your blood flow systems.

CANDLELIGHT MASSAGE

Find your mind and body's inner peace in a warm place, gently lit by the flame of a candle. The soothing scent and light shadows of creamy wax will lead you on a sensory journey: oils awaken your senses and deeply nourish your skin, enhancing the massage experience.

MOM-TO-BE MASSAGE

Indulge in a caring touch that is in complete harmony with the very special period of your pregnancy. Mom To Be massage relieves the stressed zones and at the same time strengthens the blood circulation. The specialized, soft and nurturing handling of this technique offers a safe treatment that embraces your needs as well as your baby's.

SPECIAL THERAPIES

THALLASEA TREATMENT

BACK RITUAL

A cleansing ritual combination of enveloping movements and the use of self-heating mud to relax the deep muscles and relieve joint tension. The self-heating oligo-active mud detoxifies the body and creates a profound feeling of relaxation in areas of muscle tension.

REVITALISING HEAD AND SCALP TREATMENT

A delightful addition, this enchanting add-on begins with acupressure, which releases fatigue, stress and tension from the neck and head whilst simultaneously nourishing the hair with vital minerals and oils that prevent follicle breakage. A refreshing menthol and moor mud mask application on the scalp is followed by a neck and shoulder massage.

RELIEF LIGHT LEGS

Refreshing notes of spearmint mingle with the velvet texture of sugar crystals to slowly stimulate the blood flow and offer a cooling sensation, as the body scrub smooths away dry, flaky skin. Potent red grape blends with local herbs in a rich in antioxidants gel mask that renews the skin. A pampering massage experience using the moisturizing properties of coconut oil to deeply hydrate. Finally, a calming yogurt powder mixed with the gel mask offers ultimate comfort for tired legs.

SUN-KISSED SKIN RITUAL

This after-sun body treatment soothes and refreshes the skin after sun exposure! A specific body wrap with hibiscus flower extract repairs the skin, and a complete body moisturizing massage soothes the sunburn. Intensely hydrated, the skin is soft, and the body is perfectly relaxed.

BLUE DIAMOND SUPERCREAM
KÉK GYÉMÁNT SZUPERKRÉM

Omorovicza,
BUDAPEST

FACIAL TREATMENTS BY LUXURY SKIN CARE PRODUCTS

OMOROVICZA BUDAPEST

From the Earth, through the generations: Omorovicza is rooted in Budapest's unique geology. Following a tectonic collision, Budapest was formed in the same moment as the Himalayas. This formed a massive fissure, where waters plunge right down and are imbued with minerals, before being delivered to the surface and discovered by the various waves of humans to inhabit Budapest and benefit from its waters. Among those inspired by this geological marvel was the Omorovicza family, who created the Racz Fürdő, or thermal bath, the first Omorovicza Institute.

BLUE DIAMOND BRIGHTENING FACIAL

This firming and brightening treatment help to revitalize dull, lackluster skin. Blue Diamond Facial restores skin fitness, essential to the youthful behavior of skin cells. The traditional facial massage will accelerate the oxygenation of the skin to re-energize and lift.

ILLUMINATING FACIAL

Designed to leave complexion rejuvenated and glowing, this facial begins with a gentle peeling, enriched with copper for an antioxidant collagen stimulating punch. This unique facial massage soothes the senses and accelerates micro-circulation whilst an essence rose and peony mask plumps the epidermis to reduce the appearance of fine lines and wrinkles.

QUEEN FACIAL

During this facial, that is completely about slow skincare, we treat our guests with a gentle scrub and relaxing back massage with warm rose quartz stones. After cleansing and mild exfoliation, you will experience a hydrating gold mask, that will deeply quench your skin's thirst and lift your spirit (and skin!) While you are relaxing with the mask on, we will pamper you with an arm treatment for further relaxation. You will also experience a gentle lymphatic drainage massage, which reduces puffiness, eliminates excess fluids and toxins that accumulate in the tissue, followed by a relaxing massage with rose quartz hands.

GENTLEMAN'S FACIAL

This signature facial contains the use of mineral-rich Hungarian Moor mud, which detoxifies and draws out impurities for deep cleansing. The application of a fragrant Moor mud mask follows a thorough cleansing and mild exfoliation. The iconic Moor mud cleansing balm as well as tropical fruit extracts, help to treat sensitive skin and reduce pore size. A classic Hungarian facial massage instantly lifts and firms the skin.
