

OUR PHILOSOPHY

The Elixir Spa of the Greccotel group, built on the mythical island of Phaeacians, offers an exquisite blend of relaxation and top service. Drawing inspiration from the ancient Greeks, our methods incorporate the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

From the moment you enter the Elixir Spa, you are immersed in an oasis of tranquility and luxury that unites the timeless elements of earth, sun and water. This trinity had profound significance for the ancient Greeks: not only was it vital to the practical aspects of life, but it was deeply rooted in their spiritual beliefs.

Exquisitely curated menus and treatment protocols designed to offer unique pampering experiences are the result of three decades of empirical research and tangible exploration to achieve the ultimate balance of body and spirit.

Feel your senses come alive in Elixir Spa's state-of-the-art facilities and become a part of the ancient Greek myth!
