OUR PHILOSOPHY

The Elixir Spa of the Grecotel Group, built in the birthplace of Hippocrates, offers an exquisite blend of relaxation and top service.

Drawing inspiration from the ancient Greeks, and the pioneering, intelligent spirit of the "Father of Medicine", we are led to the knowledge that the individual is a psychosomatic entity. Thus, our methods embody the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

Our highly curated menus and treatment protocols designed to provide unique pampering experiences are the result of three decades of empirical research k to achieve the ultimate balance of body and mind.

Feel your senses come alive and indulge in the experience of the ages!
