

Hippie Spa

The Hippie Wellness Spa of the Grecotel Group, inspired by the Minoan civilization, the oldest in Europe, offers an exquisite blend of relaxation, class and top service. Drawing inspiration from the ancient Greek alchemists, our methods embody the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

Hippie Wellness Spa provides highly curated menus and treatment protocols designed to offer unique pampering experiences, the result of three decades of empirical research and tangible exploration to achieve the ultimate balance of body and spirit.

The local tradition and the natural richness of the land invite you to immerse yourself in an oasis of tranquility and luxury that unites the timeless elements of earth, sun and water.

This trinity had profound significance for the ancient Greeks: not only was it vital to the practical aspects of life, but it was deeply rooted in their spiritual beliefs.
