ELIXIR BOTANICAL SPA

OUR PHILOSOPHY

The Elixir Botanical Spa of the Grecotel group, built on the mythical island of Phaeacians, offers an exquisite blend of relaxation and top service.

Drawing inspiration from the ancient Greeks, our methods incorporate the philosophy of longevity and personal exploration towards inner wellness: harmony of mind and spirit.

From the moment you enter the Elixir Botanical Spa, you are immersed in an oasis of tranquility and luxury that unites the timeless elements of earth, sun and water. This trinity had profound significance for the ancient Greeks: not only was it vital to the practical aspects of life, but it was deeply rooted in their spiritual beliefs.

Exquisitely curated menus and treatment protocols designed to offer unique pampering experiences are the result of three decades of empirical research and tangible exploration to achieve the ultimate balance of body and spirit.

Feel your senses come alive in Elixir Botanical Spa's state-of-the-art facilities and become a part of the ancient Greek myth!

The warm body massagers made of black obsidian glide effortlessly over your skin, releasing tension and offering a profound sense of relief. The rhythmic, harmonious movements begin with the tools, then flow into the hands, delivering a wave of pure tranquility and awakening your senses to a new level of relaxation.

DEEP TISSUE MASSAGE
